

I.
Biotechnology satellites terrorism and political careers. Vladimir Putin's end

ISBN 978-9949-30-043-3
PDF format - A4 - 370 Pages

Details and preview: www.pedroso.pl/sb2.php
218 MB (228,877,481 bytes)

Seemingly disconnected assassinations and mass murders explained. The distribution of this material might lead to the resignation and incarceration of Vladimir Putin and other politicians, security and military officers.
Examples of the link between banking and international terrorism. The underworld has had its input in this work, which has no equal in the market and was written under constant torture, satellite attacks on brain / internal organs, threats of imprisonment / deportation and implementation of even more severe methods of dissuasion. ...

II.
European Court of Human Rights (1)

ISBN 978-9949-30-058-7
PDF format - A4 - 202 Pages

Details and preview: www.pedroso.pl/sb3.php
520 MB (546,118,658 bytes)

USA Senators reacted to information included in this first manuscript, which was sent to the European Court of Human Rights from Paris, France. It contains photos and maps.

III.
European Court of Human Rights (2)

ISBN 978-9949-30-059-4
PDF format - A4 - 196 Pages

Details and preview: www.pedroso.pl/sb4.php
207 MB (217,990,728 bytes)

European Court of Human Right's three judges panel's decision to reject petition against France. Second manuscript sent to the court compiled in Brussels, in the midst of assassinations and mass murders in and outside the EU. I was received by a diplomat from Ukraine in the embassy of Ukraine in Brussels, who told me: "I have found two or three interesting things (in this document)"; later in the afternoon, a Cuban man hinted at the Chernobyl accident, his photograph was uploaded and is available online.

IV.
Outgoing messages (1)

ISBN 978-9949-30-574-2
PDF format - A4 - 236 Pages

Details and preview: www.pedroso.pl/sb5.php
78.4 MB (82,265,890 bytes)

With only a few exceptions, all messages included in these books were outbound. Reply from the Syrian embassy in Madrid, concerning the assassination in Damascus of a military hospital director (committed with participation of Cubans and satellite technology implementation) does not stand out from the rest of denounced events. ...

V.
Outgoing messages (2)

ISBN 978-9949-30-575-9
PDF format - A4 - 302 Pages

Details and preview: www.pedroso.pl/sb6.php
74.8 MB (78,475,182 bytes)

NATO – invasion of Libya. Similar to Outgoing messages (1), without redundancy.

VI.
Cosmic Troops Diaries

Part 1 (217 pages)
